

# Discovery Education™ *streaming* Plus Extraordinary Resources

Discovery Education *streaming* Plus is the most comprehensive digital video-on-demand and online teaching resource available today. Educators get access to a rich collection of more than 71,000 video segments and 9,000 full-length educational videos—all designed for easy integration into the curriculum and correlated to state standards.

9,000 full-length videos chaptered into 71,000 segments

23,000 encyclopedia articles

Six core subjects

200 lesson plans

3,000 audio files

2,000 pre-made quizzes

20,000 high-quality digital images

New titles added each year

Hundreds of math interactives

## Tools for Today

Discovery Education *streaming* Plus takes teaching to the next level by providing educators with the vibrant, compelling digital media they need to connect with today's students and enhance classroom learning.

Multimedia content is critical to today's curriculum. That's why K–12 educators at more than half of all U.S. schools bring their instruction to life with high-quality online digital media from Discovery Education *streaming* Plus.

## Support for Success

The Discovery Educator Network, comprised of local educators passionate about multimedia in the classroom, supports a community of teachers eager to use Discovery Education *streaming* Plus to the benefit of students.

### Subscription Price per Building:

K-8	\$2,615
9-12	\$3,095

## Take Learning to the Next Level with Discovery Education *streaming* Plus

### Redefine the Meaning of Classroom

Simplify your day and manage your classes with administrative tools that allow educators to assign Quizzes, Writing Prompts and Assignments to individual students or groups.

Students may access assignments from anywhere, anytime using their own unique student login.

## Strengthen Mathematics and Language Arts Skills with Interactives

### Educational Games

Reinforce essential Language Arts and Mathematics concepts through some of the over 100 games like Supernova Sentence Puzzles and Leon's Math Dojo.

### Skill Builders

Capture students' attention and develop their problem solving skills. 100 Skill Builders spanning core subject areas get students engaged through hands-on experience.

### Math Overviews

Create pre-lesson or remediation activities with Math Overviews. Math Overviews provide easy-to-understand instructional support for students in grades 3-12.

### Math Explanations

Access thousands of math explanations that offer detailed, self-paced tutoring on topics directly tied to Math Overviews.
