

Students Thrive in a World of Discovery

Discovery Education empowers Iowa educators to engage students and transform classrooms.

Over the past five years, thousands of Iowa educators have:

- Integrated Discovery Education STREAMING PLUS into their lessons
- Downloaded over 3.6 million learning objects tied to curriculum standards
 - Of these assets, 75% of the top 1,000 videos viewed by Iowa educators are exclusive to Discovery Education

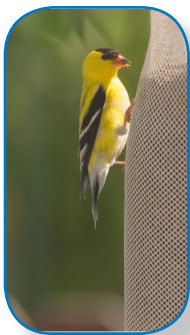

"Discovery Education has provided me with resources that have sparked my students' curiosity and expanded my professional learning network."

- Jason Cochrane
Kennedy High School,
Cedar Rapids, IA

Act now and receive up to a 60% special discount exclusive to Iowa educators through 7/31/11!

 | STREAMING PLUS

\$1,295 per school for the 2011-2012 school year (after discount)

Discovery Education STREAMING PLUS – 150,000 Learning Objects

Find exactly the right resources at the right time through the only digital video-based learning resource scientifically proven to increase student achievement. Discovery Education STREAMING PLUS is the largest, high-quality educational digital media library available with over 150,000 multimedia assets, including 9,300 videos and 75,000 content-specific clips which integrate seamlessly into any curriculum.

Continue providing the highest-quality digital resources to your educators.
