

# Exclusive Content from Cerebellum Now Available

Discovery Education is now the exclusive streaming provider of hundreds of award-winning educational programs from Cerebellum Corporation. Engaging series like *Just the Facts* and *Standard Deviants* provide teachers and students unique educational programs that inspire, inform, and enrich classroom discussions.

## Exclusive Content Available through Discovery Education STREAMING Includes

### Standard Deviants School Shakespeare Tragedies

This series unlocks great works so your students can understand and appreciate them for a lifetime.

### The Split-Infinitive World of English Grammar

What is grammar? How do nouns and verbs work together to make sentences? Engage your class with the basics of grammar, then move on to the study of sentence structure.

### Just the Facts: Understanding Literature

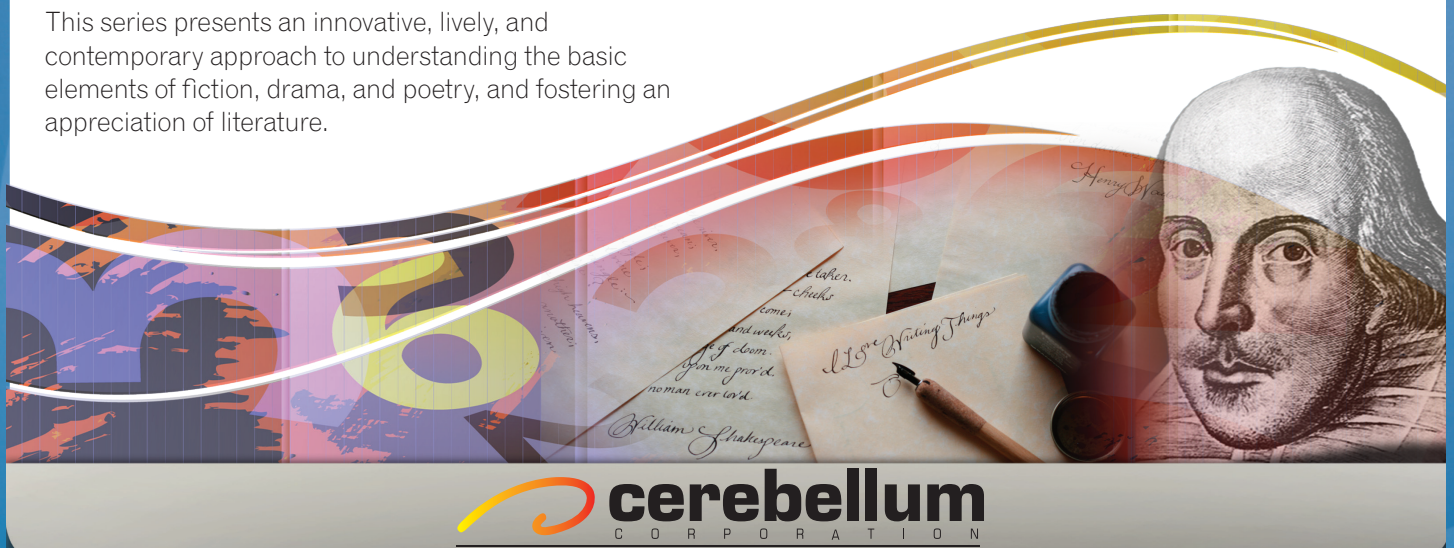

This series presents an innovative, lively, and contemporary approach to understanding the basic elements of fiction, drama, and poetry, and fostering an appreciation of literature.

### The Pumped-Up World of Pre-Algebra

With all those Xs and Ys, pre-algebra can be very intimidating for students. It can seem like a whole new language. Building on math fundamentals, this series eliminates the intimidation factor by presenting the material in an easy-to-understand manner using plenty of examples and computer graphics.

### The Zany World of Basic Math

This math super series includes everything students need to know, from adding, subtracting and dividing, to fractions, decimals and percents.
