

Engage Students with STEM Connect

STEM Connect Is the Captivating Real-World STEM Curriculum and Career Development Resource from Discovery Education

Access compelling resources that help students connect science, technology, engineering, and mathematics to the real world. Make concepts come alive and provide students a clear vision for how pursuing their interests can lead to future success.

- Demonstrate how real-world science and math can be cool through content like MYTHBUSTERS, BUILD IT BIGGER, and GREATEST INVENTIONS WITH BILL NYE
- Make difficult concepts easy-to-understand through the power of visualization
- Help all students believe they can succeed in STEM-related careers
- Guide students interest in STEM careers with dozens of videos highlighting important professions of today

Attend STEM Webinars
with World Renowned
Educators and Scientists.
